SANDWICHES

PIZZA

CUBUS N is a neutral table display cabinet that is not only an interesting interior design element, but also an ideal solution for storing and presenting unrefrigerated food. With its subtle stainless steel the construction itself is visually suppressed and thus the displayed goods stand out perfectly.

SAME DESIGN as for the CUBUS B and CUBUS F refrigerated display cabinets

LED LIGHTING OF INDIVIDUAL SHELVES ensures visibility of the products on display

THE OPTION OF A SERVICE AND SELF-SERVICE VERSION

EASY ACCESS TO THE DISPLAY CASE TROUBLE

Designed for:

- cafés
- patisseries
- bakeries
- food outlets
- delicatessen
- grocery stores
- fast food restaurants
- bistros, corporate, school or hospital canteens
- restaurants
- and more

Service variant,
operator's view

Self-service option,
customer's view
